Instructions for Océ PlotWave ® 300 Printer:

1. Facing the front of the machine, on the User Interface press the button in the lower left hand corner directly below the word "System."

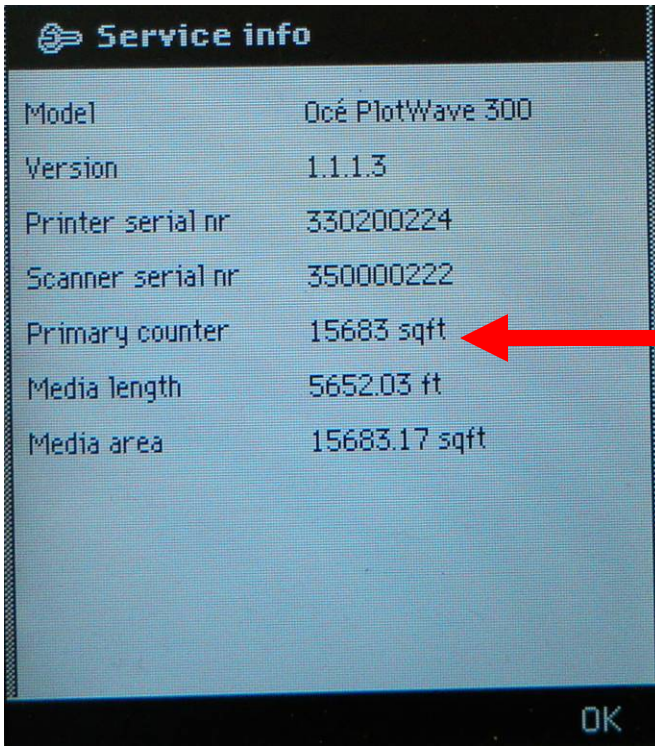

2. In the "System" menu press the button at the top right corner directly above "Setup."

3. Use the scroll knob on the right hand side of the interface and scroll down to "Service Info" and press the enter key above the scroll knob on the user interface.

4. Once you have pressed the enter key, at the next screen you will find your meter reading. Your meter is labeled "Primary Counter." Record the number for submission. (Meter B)
